Financial Aid Office announces Financial Aid Self-Service

Want to check the status of your financial aid? That’s easy, you can always come into the Herzstein Enrollment Center and ask. But, what if you want to check the status of your aid at 2:30 am?

Well now you can! This year, the Office of Scholarships and Financial Aid went live with self-service for financial aid. You can check the status of your financial aid twenty four hours a day, seven days a week, fifty two weeks a year.

That’s right, we never close with Self-Service for Financial Aid. And the best part about it—it’s extremely easy to use. As easy as logging into mystthom!!

To access Financial Aid Self-Service, logon to your mystthom account.

Choose the menu option:

Learner Services

Then:

Financial Services

Then:

Accept/Decline Financial Aid

Or

View my Financial Aid.

From here, we have provided links to both the St. Thomas web site and the Loans By Web site to check your loan status.

According to Scott Moore, Dean of Scholarships and Financial Aid, “we aren’t trying to take away the human contact element of customer service. We still very much believe in that. We just want to add to the services we already provide.”

He continues “it really gives students a greater control over their financial aid and that’s what I like about it.”

As always, if you have difficulty with the self-service web-site, please call us at 713/942-3465.
